Independent Accountant's Report to Beckley & Area Community Benefit Society Limited

Year ended 30 September 2020

We report on the financial statements of the society for the year ended 30 September 2020 which comprise the income statement, statement of financial position and the related notes.

Our work has been undertaken so that we might state to the society those matters we are required to state to it in an accountant's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the society for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of the management committee and independent accountant

The management committee is responsible for the preparation of the financial statements and they consider that an audit is not required for this year and that an independent accountant's report is needed.

It is our responsibility to carry out procedures designed to enable us to report our opinion.

Basis for opinion

Our work was conducted in accordance with the Statement of Standards for Reporting Accountants. Our procedures included a review of the accounting records kept by the society and a comparison of the financial statements presented with those records. It also included consideration of any unusual items or disclosures in the financial statements, and seeking explanations from the management committee concerning any such matters. The procedures undertaken do not provide all the evidence that would be required for an audit, and consequently we do not express an audit opinion on the view given by the financial statements.

Opinion

In our opinion:

- a) the financial statements are in agreement with the accounting records kept by the society under section 75 of the Co-operative and Community Benefit Societies Act 2014.
- b) having regard only to, and on the basis of, the information contained in those accounting records, the financial statements comply with the requirements of the Co-operative and Community Benefit Societies Act 2014.
- c) for the preceding year of account, the financial criteria for the exercise of the power conferred by section 84 were met in relation to the year.

Members funds			516,037	517,324

The society is satisfied that it is entitled to exemption from the requirement to obtain an audit under section 84 of the Co-operative and Community Benefit Societies Act 2014.

The members have not required the society to obtain an audit of its financial statements for the year in question in accordance with the Act.

The members acknowledge their responsibilities for:

- ensuring that the society keeps proper accounting records which comply with section 75 of the Co-operative and Community Benefit Societies Act 2014 (the Act);
- establishing and maintaining a satisfactory system of its books of accounts, its cash holdings and all its receipts and remittances in order to comply with section 75 of the Act; and
- preparing financial statements which give a true and fair view of the state of affairs of the society as at the end of the financial year and of its income and expenditure for the year in accordance with the requirements of section 80, and which otherwise comply with the requirements of the Act relating to financial statements, so far as applicable to the society.

These financial statements have been prepared in accordance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and Republic of Ireland'.

The statement of financial position continues on the following page.

The notes on pages 6 to 8 form part of these financial statements.

Notes to the Financial Statements

Year ended 30 September 2020

1. General information

The society is registered under the Co-operative and Community Benefit Societies Act 2014. The address of the registered office is Penny Cottage, Church Street, Beckley, Oxfordshire, OX3 9UT.

2. Accounting policies

Basis of preparation

These financial statements have been prepared in compliance with the provisions of FRS 102 Section 1A, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

Revenue recognition

Turnover is measured at the fair value of the consideration received or receivable for goods supplied and services rendered, net of discounts and Value Added Tax.

Revenue from the sale of goods is recognised when the significant risks and rewards of ownership have transferred to the buyer (usually on despatch of the goods); the amount of revenue can be measured reliably; it is probable that the associated economic benefits will flow to the entity; and the costs incurred or to be incurred in respect of the transactions can be measured reliably.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other comprehensive income and accumulated in equity, except to the extent it reverses a revaluation decrease of the same asset previously recognised in profit or loss. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other comprehensive income to the extent of any previously recognised revaluation increase accumulated in equity in respect of that asset. Where a revaluation decrease exceeds the accumulated revaluation gains accumulated in equity in respect of that asset, the excess shall be recognised in profit or loss.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

Fixtures and fittings - 20% straight line

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Notes to the Financial Statements (continued)

Year ended 30 September 2020

2. Accounting policies (continued)

Impairment of fixed assets (continued)

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the society are assigned to those units.

Stocks

Stocks are measured at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing the stock to its present location and condition.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the . Finance costs and gains or losses relating to financial liabilities are included in the . Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

3. Profit before taxation

(Loss)/profit before taxation is stated after charging:
